

## CHAPTER XXXVII

**JAMES EWING (c1720/5-1776)**  
**in Lebanon Twp. Lancaster Co., PA.**  
**and wife, (widow) Mary Shelleberger**  
**mother of sons William & John**  
**of Wayne Co., Ohio**

This man left few “tracks” to trace him to his origin. His Will, his Warrantee's of land, his troubles with his land, his marriage to two German women do tell us something about him and hint at his possible early life.

His will is located in Lancaster Co. Wills Book C Vol. 1 page 335. It is dated 16 November 1774 and was filed for Probate on 1 May 1776. It is one of the most wordy and involved wills I have ever read. We share it with you below:

“In the name of God, Amen, I, James Ewing, of the Township of Lebanon in the County of Lancaster and Province of Pennsylvania, yeoman, being sickly and weak in body but of sound and disposing mind, memory and understanding do make and Publish this my last will and testament as follows: VIZ-Imprimis

“James Ewing late of Lebanon twp. Lancaster Co., PA”

If Sabina Ewing had been married before and James Ewing seemed not to like her children, called them his “step children” and did not want them to have any part of his Estate, then who was the mother of William and John? We had purchased all of the EWING Pension Applications and had found a William Ewing who had applied and gave his birth date from a memo- “wrote in my mother's hand in German.” Below is a Summary of the PENSION APPLICATION Number S. 8447 of William Ewing who was in Wayne County, Ohio on 4 March 1831 when his Pension was to “commence”. It was delivered to P. Faulk on 20 May 1834 in Jeromeville, Ohio. He received \$35.00 per annum until he died. We have never found his date of death. DECLARATION:

“On 8 Feb 1834 personally appeared the subscriber William Ewing an Applicant for a Pension states he entered the Service under Captain Caspar Stiver in the County of Lancaster and state of Pennsylvania in the Militia for six months and the “Fifer” was named Mellinger. Said Applicant was drafted on 1 July 1777 and discharged 1 December 1777. He was a guard over British Soldiers and one of the soldiers fell asleep while guarding and two Prisoners escaped. William Ewing and others went after them to Poughkeepsie in New York. They found the prisoners and brought them back to Lancaster where they were sent to ‘Little York’ put in the stockade which was located on the left of the road from Wright's Ferry to Little York. “

William Ewing stated he “volunteered 10 June 1778 to 10th or 12 of December 1778 as a Musician under Capt Stattleman and was a “Drummer” and was sent to New York along the North of the Hudson River (mentions several towns) to Sussex Court House 'he thinks it was in New Jersey' to a PLACE called Easton then through a small Moravian town called Bethlehem to Allentown to Reading then to Old Lancaster where he was discharged in the season after the surrender of Burgoyne.”

“In answer to the question 1<sup>st</sup>: What year were you born? He answered 'I was born in Lebanon twp. in Lancaster Co., PA , in the year 1762.’” and 2<sup>nd</sup>: answer to the question, “Have you a record of your age and if so where is it? He answered ‘I have an old memorandum wrote in German Language which I received of my mother, and I have the same in my possession and from that I know my age to be 70 years ... at the time I entered the Service I resided at East Line in Lebanon twp. and since the Revolution I have lived in Dauphin Co., PA six miles from Harrisburg, PA from whence I removed to Wayne Co., Ohio where I now reside and have since six years past’.”

### Who was Mary Shellerberger, widow?

I have a copy of abstracts of *Lancaster Co., PA Quarter Sessions, Book I (1729-1742)*. I had become familiar with the name Shelleberger as Thomas Ewing, brother to MY William Ewing, owned land next to some of that of Thomas and Susannah. In fact their names are on the estate settlement. See Chapter XXXV 317. I found that early:

- 1737, 7 February-Lancaster Co., Court Quarter Sessions:
 

An item to be taken up by Grand Inquest included:  
“Peter Shalaberger and Woola Shalaberger that Peter and Mary his wife and his son, George, shall be of good behavior and appear at Court. Cont.” [The charges were not stated]  
“John Ross to appear and make good his charge against Peter Shalaberger ... Discharged”
- 1738, 2 May - Lancaster Court of Quarter Sessions
 

“Persons sworn and affirmed on the Grand Inquest included Thomas Ewing.” The first item to be taken up was:  
“Peter Shalaberger and Woola Shalaberger that Peter and Mary his wife and his son, George, shall be of good behavior and appear at Court. Discont. on paying costs.”

In discussing with descendants Jill Spitler, Eleanor Swineford and Betty Whitmer about who these people might be, Betty twin of Eleanor stated they have information that the ship SAMUEL from London and Rotterdam, Holland arrived in America in 1732. Aboard were Peter Shelleberger age 33, wife Maria age 30, daughter Magdalena, age 10, and George, age 9. Also aboard was George Glassbrenner, age 21 (who gave James Ewing a “fit” over land).

My search of the early Lancaster Co., PA "wills and Intestate Records by Fulton & Mylin (1727-1850) showed a George Shellyberger (close enough) Intestate Bond was filed 1756. We will assume, cautiously, that he is the deceased husband of the Maria Shelleberger who married James Ewing. If he is the son of Peter and Maria (Mary) he would have been born 1723 and 33 when he died in 1759. We found no evidence of children of George and Maria Shelleberger. We have been unable to find her maiden name. George is a neighbor to Thomas Ewing in Lancaster Co., PA deeds G-203; G-285; and K-12, as is Peter Shelleberger.

- 1790- Census of the United States (the first one):  
William Ewing is in Dauphin Co., PA. (no John)  
John Ewing is in Washington Co., MD. The children born in this phase of his life all lived beyond 1850 and their place of birth is always "MD".
- 1792, 5 December -Washington Co., MD (no Deed Book #)! "Gabriel Friend Executor of Richard Shipley, late of Washington Co., MD (deceased) and John Ewing of said County, farmer, Gabriel Friend for £230 paid by John Ewing sells several tracts of land in said county, one called SHIPLEY'S UPPER PLACE part of GREENCASTLE part of Resurvey of GREEN CASTLE and part of LITTLE FRIENDSHIP containing about 180 or 190 acres, etc."

- 1794, 4 September -PENNSYLVANIA ARCHIVES Series 3 Vol XXIV page 580

- 1800 Census of the unites States  
William Ewing is in Dauphin Co., PA  
John Ewing is in Washington Co., MD

It may be pointed out here that there were border troubles with Virginia, Maryland and Pennsylvania in the early times and some even this late.

John Ewing pays his debts!

It should be noted here that Nancy Wach in her *Sleeping Giants The Ewing Family and Related Names: History and Genealogy* (date unsure) did not accurately present the above Deeds on her page 16. I recently acquired parts of her book, and page 1, John Ewing who married Catherine Shell is MY ANCESTOR son of William Ewing from Hopewell, N.J. West Nantmel, Chester Co., Newberry twp. York Co., PA and West Pennsboro twp. Cumberland Co., PA. (See XXXVIII) The William Ewing who had dealings with Alexander Wilcocks were lawyers of Bucks Co., PA and of Philadelphia. William Ewing being a proven son of Dr. John Ewing of the First Presbyterian Church of Philadelphia. They were merely 'speculating' in land.

- 1814, 7 October -Bedford Co., PA Deed Book re “Power of Attorney” from John Ewing of Bedford Co. to Jacob Stoler to sell his land in Bedford County. [John had already gone to Wayne Co., Ohio. The signature on this Document closely resembles the one on his Will. He always uses the diphthong for the German “EW” in writing his name (according to my “freshman German”!) and it looks like a “J” with a “w” following and a “~” follows above the “German” “Jw” ...

The families of William and John were supplied to us by Jill Spittler, Eleanor Swineford and Betty Whitmer and “the purchase of land by John Ewing in what became Ashland Co., Ohio.” John and Margaret Carr sold land on 20 April 1817 to John Ewing (Ewens). John Ewens bought for \$34.00 in the town of Jeromeville, a lot #4 there measuring 50' in front and 150' deep, from Christian Deardoff. Whether this was the same John Ewens we are unable to tell. The deed is dated 9 Nov 1816 about a year and 5 months after the purchase of land from the Carr's. As John's Will does not describe any lands we cannot be sure of the above transaction. However, John and his wife Anna Marie (aka Mary) sold the land to their younger sons James and Jacob in 1819 for \$1,000 and to maintain them during their life.

A few words gleaned from above “immigrant **James Ewing**” the ancestor of this mighty army of “folk”. He had to have been born between 1720 and 1725 to be old enough to apply for land Warrantees. We are not sure if he married three times; however, he received land as if he were married or a soldier as of 1752 the Application, not found, having to have been made some time earlier. James Ewing married sometime after 1759 Maria Shelleberger, widow of George Shelleberger (various spellings), who was on the Ship SAMUEL out of Rotterdam, Holland in 1732 at which time he was 9 years old. In the year 1762 by all records Maria (\_\_\_\_) Shelleberger bore two sons, possibly twins, to James Ewing. William being the eldest said his mother wrote in a memo that he was born 1762 (however, it might have been late 1761 and the form of Calendar using the year-to-be until March 25 (calendar had already been changed) may have been used. John the second son's birth date is given on his tomb as 16 May 1762. When the children were about 8 years old Maria Willingly sold her Warrantee of land granted to her in 1759 as a “widow”. We have been unable to determine whether she had children by George Shelleberger or not. One possible connection with this James Ewing could be the William Ewing, soldier/preacher presented to you in Chapter IX. That William Ewing went with his brother John Ewing ... “with the army and left Scotland when the brother (father of the narrator) was only 12.” His name is not revealed to us. There might have been a brother, cousin, by the name of James who may have done the same thing, that is “went with the army and left Scotland and were in the wars in Germany.” Could be, couldn't it? Although biographers say that the Lt. James Ewing who was promoted to Captain when William of Chapter IX was promoted to Lt. say that the Capt. James was the son of Thomas and Susannah (Patterson) Ewing (brother to MY William). We have no real proof except the story 150 years later. Anyway, it admits of “interpretation.” Of course I want to believe that Capt. James Ewing was a cousin to MY John Ewing (born only 3 years later) and will continue until more proof is found. Real study into the background of James Ewing needs to be done.

I. James Ewing and Maria (\_\_\_\_) Shelleberger had;

- A. **William Ewing** born 1762, drafted into service at age of 15 or 16 and volunteered another six months. Received Pension: S 8447 when he was “70” on 8 Feb 1832, delivered to Jeromesville, Ohio. He married 16 May 1786 **Anna Margaret Lerlz** b 8 December 1755 and died at age 41 years, 2 months and 20 days i.e. on 28 Feb 1797. From “Lutheran Church Records, 1773-1783 Burials page 7, Lebanon Co., PA.” William died after 1834.

William Ewing and Anna Margaret Lenz had “six children” as reported by the information mentioned above. We had been given only one, a son. William married a second time to one named, possibly, Jane but no information on her has been available to us. All names of children have been lost except for:

1. **John Ewing** b 17 Apr 1788, d 29 Dec 1866; married Elizabeth \_\_\_\_\_. They had:
