

## CHAPTER XXXXIII

### THE EWINGS OF GEORGIA – OUR ANCESTORS

Chapter XXXVIII includes information on JOHN EWING and his family, John being one of the four sons of William Ewing born about 1709. Names of some of John's children were located on page 41 of the Census of 1788 taken of BIG SPRING PRESBYTERIAN CHURCH Newville, Cumberland Co., PA. Most of the names were found in the 1806 will of John Ewing of Pleasant Township, Fairfield Co., Ohio. Two of the younger sons were on the will but not on the 1788 Census. One, "John, Jr." claimed by a descendant was on neither list. We compare the two lists for your review at this time:

BIG SPRING CENSUS of 1788			NAMED IN 1806 WILL OF JOHN EWING	
Name	Age	Birth- Year	Name	<u>Amount Estate Paid</u>
John Ewing	50	1738/9	William Ewing	\$ 412.48
Sarah Ewing	48	1740	James Duncan (m-Mary)	\$ 166.24
Jane Ewing	22	1766	Jane Ewing	\$ 166.24
William Ewing	20	1768	William Herron (m-Rebecca)	\$ 56.24
Martha Ewing	18	1779	Thomas Ewing	
Mathew Ewing	16	1772	David Ewing Adm. Jointly	\$665.18
Mary Ewing	12	1776	Mathew Ewing	\$ 20.00
James Ewing	10	1778	Joseph VanHorn (m-Martha)	\$ 2.00
Rebecca Ewing	8	1780		

"Our William" who came to Georgia: Martha married Joseph VanHorn 22 Nov 1792; Mary married James Duncan 5 June 1798; James Ewing married Eleanor Gillespie 25 Apr 1809; James Ewing married 2<sup>nd</sup> sister, Elizabeth Gillespie 21 Oct 1813.

Missing from the will are John Ewing, Jr. and James Ewing. It is believed they already had their inheritances as had Martha VanHorn, probably Mathew and Rebecca. The two younger sons were Thomas "born 1782 in PA Census, OH and David born 20 Oct 1784" (Tombstone).

Chapter XXXVIII does not list all the Deeds of EWING who came to GEORGIA. There were too many but we traced the children of Thomas Ewing died 1800 SC son of William of Prince Edward Co., Va. Chapter XXVII. Also his nephew Samuel Ewing son of William son of William of Prince Edward Co., VA. We also traced Samuel Ewing and Mary Daniel, son of George Ewing of Wythe Co., Va. son of Samuel Ewing died 1758 in Prince Edward Co., VA, Chapter XXVI. Both of those men were half-brothers to Nathaniel Ewing of Cecil Co., MD. We list below indications that four sons of above John Ewing died 1807 in Ohio may have come to Georgia but only William stayed.

1<sup>st</sup> John Ewing, Jr. is, probably, the John Ewing who was to receive a grant of 450 acres in Franklin Co., GA in 1786. We do not have the date of his Application but in *HISTORICAL SKETCHES* by Rev. G.H. Cartledge 1960 page 35 states "The first migration from Cumberland Co., Pennsylvania to New Hope in Northeast Georgia, took place in 1786 and Allen Leeper, William Hodge and others started from Pennsylvania to Georgia in 1785." Franklin Co., GA Deed Book N page 100 John Ewins and wife, Elizabeth purchased of Andrew Erwin about 1784 but no date of actual possession. Wilkes Co., GA Deed Bk UU page 28. John & Elizabeth purchased 200 acres on William Creek in 1791 recorded 5 Aug 1804. John Ewins bought land from John Holmes who had owned land "our William Ewing" purchased.

2<sup>nd</sup> William Ewing is the next eldest son of John Ewing died 1806. Tho he is ned, first, in the Will, I found William paying tax in 1802 in Jackson Co. GA in Capt. Aaron Woods District. He had 50 acres of 3<sup>rd</sup> Quality land that had been Granted to FEW on the waters of Beech Creek next to Littleton Riggins. He paid 37 ½¢. The same is true for the years 1803 and 1805. In 1807 he is taxed on 100 acres in Jackson Co., GA in Capt. John W. Shacklefords District. It was 3<sup>rd</sup> quality land and was purchased from Joseph Campon the 27 May 1807 and paid \$400 for it. It had been granted to Spratlin. It was "on Marburys/Marburg's Creek and bordered Evans." Jackson Co., Georgia was created in 1796 from Franklin Co., GA. (I found no Deeds to this William Ewing in Franklin Co., GA.) A copy of this Deed and others relating to William and Hannah Ewing are in the first few pages of this chapter. See ahead .

3<sup>rd</sup> Mathew Ewing is the next son of John Ewing died 1806 and is mentioned in the will of John Ewing. He is also on the 1788 Census of Big Spring Presbyterian Church. He was paid £2.0.0 from the Estate of Allen Leeper on 10 July 1791 by Allen's sons, James Leeper and Charles Leeper. (See Inventory #61; Account #27 Cumberland Co., PA Courthouse, Carlisle, Pennsylvania Office of Wills and Orphan's Court Records). In 1793, Mathew Ewing enlisted as a Private in Capt. John Hodge's Company of the Elbert County, Georgia Militia. He enlisted the same day as his cousins William Allen David Ewing and Thomas Ewing (whose Deed he had witnessed the year before.) By 1800, he is back in Franklin Co., PA, Metal twp. which had been taken from Cumberland Co., PA. By 1806, he is in Pleasant twp. Ohio when his father died. He and wife, Mary Maguire, bought the Pleasant twp. Fairfield Co., Ohio land of his father from the others and sold it by 1810.

4<sup>th</sup> James Ewing is the next son of John Ewing died 1806 and is not mentioned in the 1806 will of John Ewing. He is, however, on the 1788 Census of Big Spring Presbyterian Church. We have mentioned before that he, like his sister

Martha Ewing VanHorn (wife of Joseph VanHorn) had already received a portion of their father's estate prior to his death. As James Ewing was born in 1778 he would have been 22 years old when he enlisted in Jackson County, Georgia Militia, Volunteer Troops of Dragoons in the 2<sup>nd</sup> Regiment. His enlistment is dated 15 June 1801. He was called "Gentleman" (a man of means) and was made a 1<sup>st</sup> Lieutenant. I sincerely believe it was this man and not his cousin James Ewing born 1782 whose father, James Ewing, had died in 1791 leaving him £36. That James did not receive his inheritance until 1804 after he became 21. That James did pay tax on land as "underage" in 1802, but would hardly have been called "Gentleman" in 1801 is my thinking on this.

The Deeds in Georgia are, at times, confusing being recorded in two counties for the same Deed as County lines were changing so fast. Madison Co., Ga was created 5 Dec 1811 from Clarke, Elbert, Franklin Jackson and Oglethorpe Counties! In Madison County Deed Book A page 3 dated 9 Dec 1809, James Ewing purchased of William Allen David Ewing 151 acres for which he paid \$1,600. It bordered the South by South Fork of Broad River and North by John Mark's Land. William Allen David Ewing signed the Deed. It was not recorded until 1812. It is my belief that this is the James Ewing above, not the brother of William A. D. Ewing. The above James Ewing had married Eleanor Gillespie in Big Spring Presbyterian Church on 25 April 1809 and brought her to Georgia, is my belief. Proof is in the fact that his younger cousin by the same name was in Bedford Co., TN and witnessed the counter-signing of Deed Book A page 200 Madison Co., GA where William A.D. Ewing sold his last land through his "Lawful Attorney James L. Ewing", his son, to Stephen Smith on 12 October 1815. All the descendants of James Ewing died 1791 moved to Tennessee with Allen Leeper.

James Ewing's wife, Eleanor Gillespie died prior to 21 October 1813 for that is when he married her younger sister, Elizabeth Gillespie both daughters of George and Sarah (Young) Gillespie of what became Frankford twp. Cumberland Co., Pa. They were married at Big Spring Presbyterian Church. James was not on the 1810 Census of Cumberland Co., PA nor on the 1820. We "assume" he died after 1813. Elizabeth Ewing is buried in Big Spring Cemetery with inscription "Elizabeth Ewing daughter of George Gillespie, born 1790; died Jan 16, 1846." She is, also, shown as being received into the Church on 13 October 1822. It is my theory that she sold the Madison Co., GA land and moved back to Cumberland Co., PA with her orphans. See page 356 which proved she and the children were living on HER land which they inherited when she died in 1846. She inherited it from her father, George Gillespie when he died. I suppose James Ewing had lost all his money. He had paid an enormous sum of \$1,600 for 150 acres in 1809. A few years later, 1815, the 562 ½ acres sold for \$1,200 showing the decrease in land values. They thought the land was "worn out". This sale was recorded in Madison Co. Deed Book A page 200.

None of the daughters of John Ewing came to Georgia unless Jane Ewing the elder sister of our William Ewing came here to help him with the children. There is another semi-elderly woman in the household of Green Berry Ewing in 1820 who may be Jane. We have no proof of course but she is not; shown in Pleasant Twp., Fairfield Co., Ohio Census as being a part of the household of any of the other brothers and sisters.

This Chapter Outlines ALL references in Georgia to William Ewing of Jackson, Gwinnett, Walton and Newton County. We show he is separate from William Allen David Ewing, his cousin, and William D. Ewing one of the sons of Samuel Ewing and Mary (Daniel) Ewing of Clarke Co., GA. See Chapter XXVI pages 217 George Ewing son of Samuel Ewing was father to Samuel Ewing who married Mary Daniel and moved to Georgia. Also, see page 219 for that Samuel Ewing and his children.

We have been unable to find who these two were. As they were Newton Co., GA men we felt sure they were "kin" to others.

Died in Fortress Monroe, VA., hospital from exhaustion following amputation of right hip, Sept 7, 1864. [This is my great grandfather Whitworth, father of Antoinette Virginia Whitworth who married Miles Elmore Ewing and had 17 children one of whom was my father, Lucius Grant Ewing.]

We know there are others who served whose names seemed not to get on lists. However, we have done our best to bring those we found. We looked through thousands of unindexed pages to find these.

My search here in Georgia Archives began with 3 bits of information. I knew only:

1. Miles Elmore Ewing, my grandfather, ran away to the Civil War with a cousin.
2. Jones Henderson Ewing and Eliza (Chapman) Ewing were the parents of Miles Elmore Ewing.
3. Miles Elmore Ewing married Antoinette Virginia Whitworth in Gwinnett Co., Ga. Their 17 children were born and raised there. They were identified in a Family BIBLE.

My first search was in the *Roster of Confederate Soldiers, Volume II*, page 49 where I found the names of Miles E. Ewing and Joseph Ewing who had enlisted the same day! Both were "born in Newton Co., GA." I had not known THAT! I searched the Census Records of Newton and Gwinnett Co., GA, the Deeds in Newton Co., GA and Tax Records in both places. Some Deeds in Gwinnett Co., GA had been destroyed by fire. We were able to find enough to help find which EWING lived there early. The birth date in the Roster was almost correct for Miles E. Ewing!

I found two men named EWING on the 1820 Census Record of Gwinnett Co., GA one - a William Ewin. He was listed as head of Household with "4 males under 10 years; 1 male 10-16; 1 male 16-26; 1 male over 45; 1 female under 10 years of age; 1 female age 10-16; 1 female 24-45." So, it looks as if this man had a family consisting of 6 males plus himself and 3 females one of which was, surely, his wife. As counties were being formed so very rapidly in Georgia it was necessary to find the parent county of Gwinnett. I searched the Deeds of Jackson Co., GA and of Franklin, Co., GA until I found a William Ewing who purchased land there. I had also searched Tax Records of all three counties as well as the other Ewing, Robert, of the 1820 Census]:

"William Ewing paid tax in 1802-1807 on 50 acres of land adjoining Littleton Riggins on Beech Creek in Jackson Co and had originally been granted to one named Few." There were numerous Few grants of land. I was unable to find if William Ewing had purchased this land or if he were only renting.

1807, 27 May - JACKSON CO. GA DEED BOOK E page 569 reads:

"This indenture made this 27 Day of May in the Year of Our Lord one thousand eight hundred and seven and in the thirty-first year of American Independence, between Joseph Camp of one part and William Ewing of the other part witnesseth that for and in consideration of the sum of four hundred dollar paid by the said Ewing to said Camp the receipt whereof is hereby acknowledged that I have this day bargained, sold and confirmed unto the said William Ewing and do by these presents bargain sell and confirm unto the said William Ewing one hundred acres of land be the same more or less it being part of a tract of land granted to Spratlin joining Thos. John Pepper's lived next door. Eli Whaley had a son Thomas Jefferson Whaley who had a son, Alford Whaley. Is that his signature? Marburg Creek could be Marberry?

This land in the 1809 Tax Digest of Jackson Co. was listed as being on Marburg's Creek next to Evans, granted originally to James Spratlin, 24 May 1781. Franklin Co. GA Deed Book C page 70, "James and wife Winnifred Spratlin". In 1809 William Ewing paid taxes of 37 ½ cents on his land. James Spratlin and Winnifred had sold it to John Holmes for 100 English Pounds. John Holmes then sold it to Thomas Camp who sold it November 28, 1803 to Joseph Camp. William Ewing had received \$414.48 from his father's estate.

Green Berry Ewing was living on this land on the 1830 Census with, probably, Hannah his mother, Rhoda his new wife, and Hannah's unmarried Children. See ahead.

Hannah Ewens(sic) sold 160 acres of land on Marburg's Creek in Walton County to John Pepper, Sr. in 1837, ten years after her husband, William Ewing, had died. I found no record of the purchase of that land nor of the 50 acres on which William and Hannah Ewing were living on the 1802, Beech Creek Jackson Co. land which is, now, in Barrow County GA. Eli Whaley was living next door and James Ewing was around the bend in the River. This was NOT William A. D. Ewing's land. See ahead.

In 1823 William Ewing sold 100 acres to Eli Whaley in Walton Co. GA which had been taken from Gwinnett Co. GA where they had lived prior to moving, 1823 to Newton Co. We have been unable to determine where this land came from. The other land was a Grant to Spratling. In 1820 Census a Samuel Peppers lived next door to William Ewing in Gwinnett Co. ### WHO WAS HANNAH WIFE OF WILLIAM EWING?

Because William Ewing, believed to be our ancestor, was living on Beech Creek in, then, Jackson Co. Ga., we were not in a hurry to examine other counties for the wife of William. We knew that Thomas Ewing, his cousin, had married Susan Barnett, daughter of Samuel and Margaret Adel Barnett of Greene Co., Ga. We believed they either had attended the same Church or met somehow even tho the Counties did not seem as close as they probably were. Census Records of 1850 and 1860 indicate that Hannah Ewing was born in Georgia.

Because William Ewing was on the tax Records with a number of near neighbors we looked them up for possible kinship. None of them proved anything. However, after we bought the Deeds you have seen and will see we kept noting the name Whaley sometimes spelled Whatley. One name, William Whaley, was on the Poll Tax of 1803 in Capt. Aaron Woods District next to William Ewing. On the other side of William Ewing was an Eli Whaley with 100 acres of land that had been granted to Spratlin the same man who had been granted the land that William bought in 1807. So, as early as 1802 they were next door neighbors. It takes a year or so for Tax to catch up with Deeds.

Because of the two Whaley men I searched almost every County to find where one by that name had, perhaps, died and left a will. I did find William Whaley in Greene Co., GA wrote his will there and it was recorded or "Registered on 27 August 1795". There was no date but it was in Greene Co., Ga. Wills and Administrations page 168. The will was almost impossible to read but I could make out "Property to be sold to educate the children. Wife, Hannah, and son Eli, to be the Executors " It was witnessed by Nathaniel Whaley. 'A search of Newton Co. records proved that Eli Whaley was born in 1773/4 and died in 1855 at age 81. He had married Mary Grace in 1798 at age 25 and had children. William Whaley's children's ages were not all given: Esther Whaley; Levi Whaley (b1773/4); Patsy Whaley; Hannah Whaley; William Whaley, (Jr); Samuel Whaley; Isaac Whaley. Daniels age was given as "6" and Betsy's age was "9". Hannah (in 1820 when they were in Gwinnett Co.) Gave her age "26-45" or born between 1775 and 1794. In 1830 in Newton Co with Green Berry Ewing her age was "40-50". In 1840 she was Head of Household in Newton Co. Ga. (next to Isaac Ewing) she was "40-50." [This would point to her age disagreeing with the 1820 Census. Was she sure when she was born?] In 1850 she was still in Newton Co., Ga. and her age was given as "76 BORN IN GEORGIA". If this is true then she was born in 1774 same" year plus or minus as Eli & Levi. On the 1860 Tax Gwinnett County in home of MY GREAT GRANDFATHER Jones Henderson Ewing and she is listed as "Mother of Head of Household, age 83, born in GEORGIA"! If that is so she was born in 1777.

So, Hannah Whaley, (if Whaley) was born sometime between 1776 and 1783. If born 1776 she was quite old to have had the last 5 children. If born in 1783 she was 19 when first born and 42 when the last one born. As there are "gaps" in between she may have lost some of her children.

I hope someone will be able to prove who Hannah Ewing wife of William Ewing truly was. Until then I shall continue to believe she was Hannah Whaley, daughter of William and Hannah Whaley Sr. They lived in Greene Co., Ga., but three of their sons, William, Samuel and Eli lived in Jackson/Gwinnett/Walton/Newton Counties in Georgia. An interesting co-incidence. Agree?

In Hancock Co., GA Index to Deeds, I found in Index "D" that one Jesse Whatley sold to Eli Whatley land that had been owned by Ignatius Few of Wilkes Co. on page 143. (I do not have a copy.)

In Hancock Co., GA Index to Deeds, I found in Index "E" that one Allen Whatley of Greene Co. sold to Edw. Beard, page 112. (I do not have a copy.)

In Hancock Co., GA. Index to Deeds, I found in Index "E" that one Eli Whaley of Hancock Co. GA sold to Elisha Hearn 40 acres for \$60.00 on 25 February 1800. At that time Eli Whaley made his mark. It may have been land of William Whaley, Sr. as yet unproven.

There are numerous other Deeds which point to the fact that the Whaley and Ewing families are near to each other early in the 1800's. I had no time to search all these through. I spent several days in an effort to prove my theory.

When Hannah Ewens (sic) (Ewing) sold Walton Co. land April 27, 1839 to John Pepper, Sr of Newton Co. (the sale was of land in Walton Co. GA) it was witnessed by Alford (sp?) Whaley. He is shown as a son of Thomas Jefferson Whaley (a son of Eli Whaley) on the 1840 Census. She was still "of Newton Co. Ga."

Research into the name of Pepper, Thompson (another neighbor), Kirk, White and McKnight produced no Hannah nor Ewing relatives.

Each of Hannah Ewing's children indicated, as she did, that she was "Born in Georgia." None of them knew where their father, William Ewing was born. He died in 1827 when the eldest, Green Berry Ewing, was about 24 and the youngest, Hannah Ewing, Jr. was less than one year old. Hannah was left with 10 children between the ages of a few months to twenty-four years. It is possible she lost some for there are "gaps" in ages.

She is buried at EWING'S CHAPEL near Auburn, GA. There is a marker that may be hers but it is too worn to read for proof.

Hannah Ewing (widow) of McCullers District of Newton Co., Ga. was in the Cherokee Land Lottery and drew Lot #282 in the 7<sup>th</sup> District 2<sup>nd</sup> section now Gilmer Co., Ga. We could never find what happened to that land. This was 1832.

Hannah also registered in the Gold Lottery for William Ewing's (Orphans) of McCullers District Newton Co., Ga. They drew lot #149 in 18<sup>th</sup> District, 2<sup>nd</sup> section now Cobb Co. We believe it was near the town of Austell, GA. They received 40 acres of Gold land! !! This was 1830. It may be that Green Berry Ewing, the eldest, bought out the others. He was the only one to live in Cobb. Co., Ga.

Known children of William and Hannah Ewing are:

- I. **Green Berry Ewing** born in August of 1802 in Jackson Co. GA and believed to be the eldest child of William and Hannah Ewing. He married 31 July 1830 **Rhoda Martin** who had been born in 1812 in South Carolina according to the Census Records. Green Berry Ewing may have been born in Jackson Co., Ga. as that is where we first find William Ewing. There was another "Green Berry" (Chapman) who died in Georgia May 27, 1818. His son, Robert E. Chapman had "Eliza Chapman" who married Jones Henderson Ewing, my great grandfather. We have wondered about it ... unproven.

On the 1830 Census of Newton Co. Ga., taken one month after Green Berry Ewing and Rhoda married, he is listed as "head of the household" (he was the eldest son) and was living next door to William McCullers who had sold William Ewing land in 1823. In the household were:

- 1 male age 5-10 (Charles Ewing born 1824)
- 2 males ages 10-15 (Jones Henderson, mine, born 1821 and Isaac born 1816)
- 1 male age 15-20 (possibly Joseph born about 1811. William, Jr. may have been "put to trades")
- 1 male age 20-30 is Green Berry himself
- 1 female 15-20 may be Nancy Ewing
- 1 female 20-30 is, probably Rhoda Martin Ewing, his bride
- 1 female 40-50 is the mother, Hannah

On the 1832 Gold Lottery, he was listed as a "resident of Newton Co., Ga. in McCullers District." He drew Lot 441, 40 acres in 16<sup>th</sup> District, 2<sup>nd</sup> section, now Cobb County. We think he went there to live.

On the 1840 Census Green Berry Ewing is shown in Cobb County, Georgia in District # 711 (not the district where he had won land in the Gold Lottery.) By that time he and Rhoda had:

- 1 male under 5 years,
- 2 males age 5-10,
- 1 male age 10-15,
- 1 male age 30-40, This is Green Berry now 38 years old.
- 1 female under 5 years,
- 1 female age 5-10,
- 1 female age 20-30. This is Rhoda Martin Ewing his wife now 28 yrs.

On the 1850 Census Green Berry Ewing is shown in Paulding County, Georgia in District # 848. It names his wife, Rhoda, and his children as this is the first Census naming other members of the family but not their relationship. It says he was "born in GA".

Green Berry Ewing and Rhoda (Martin) Ewing had:

- A. **William Ewing** age 19 so born ca 1831 in Newton Co. GA
- B. **Sarah E. Ewing** age 17 so born ca 1833 in Newton Co. GA
- C. **George Ewing** age 15 so born ca 1835 Newton Co. GA
- D. **Thomas E. Ewing** age 13 so born ca 1837 in Newton Co. GA
- E. **Hannah Ewing** age 11 so born ca 1839 in Newton Co. GA
- F. **Mary F. Ewing** age 9 so born ca 1841 in Cobb Co. GA
- G. **Josephine Ewing** age 7 so born ca 1843 in Cobb Co. GA
- H. **Rhoda Ann Ewing** age 4 so born ca 1846 in Cobb Co. GA

We were unable to trace him any further as the Paulding County, GA Records were burned in a courthouse fire, we were told, as were Cobb County.

II. **Thomas Ewing** born 25 December 1807 Jackson Co. GA. Believed to be the second child of William and Hannah Ewing.

This family is in Gwinnett County Families 1818-1968. It was prepared by Thomas Harvis Ewing of Smyrna, Ga. and Warner Robbins, GA. Not all of the findings of Thomas Harvis Ewing are repeated concerning families other than EWING.

Thomas Ewing was born on 25 Dec 1808 [sic, see above] in, probably, Jackson County, Georgia the year after William Ewing bought the Marbury/Marburg Creek land from Joseph Camp. He died 11 Nov 1892 in Oklahoma, we believe. In 1881 and 1882, he sold his Gwinnett County lands to his youngest son, Charles Dilmus Ewing, who moved to Lexington, Okla. Thomas Ewing married the "Preacher's Daughter", **Elizabeth Patillo** daughter of Rev. Samuel Patillo born 25 Jan 1771 in Charlotte Co., VA. Rev. Patillo was the son of George and Martha (Varner) Patillo. Rev. Patillo was one of the Administrators of the estate of William Ewing, father of Thomas, in 1827. Elizabeth Patillo was born 25 May 1808 in Walton Co., GA and died 24 Sept 1895 in Tribbey, OK. They had married on 8<sup>th</sup> September 1829, in Walton Co. GA.

Thomas Ewing was on the Census of Georgia in 1830 and had no children at that time. We believe they helped to raise Hannah Ewing the youngest child of Hannah and William Ewing having been born in late 1826 or early 1827. They lived next door to his brother, Thompson Ewing, "III" below.

By 1840 Thomas and Elizabeth had moved to Gwinnett Co. Ga. and appeared in every Census after that through 1880. In the 1832 Gold Lottery, he drew Lot 468, 21<sup>st</sup> District, 3<sup>rd</sup> Section, now Polk Co. GA ... 40 Acres, and was listed as a resident of Newton Co. Ga. in McCullers District.

In 1850 they are in Gwinnett Co. Ga. next door to Richard Asbury Whitworth and his wife, Sarah Evelyn Moore. The Whitworth's had a daughter, Antoinette Virginia born January of that year. (My grandmother.)

Thomas Ewing became known as "Uncle Tommie" I am told and they were much beloved. He removed his "letter" in 1887 from the Alcove Baptist Church. He had lived in Harbin's District then in Sugar Hill District near the Rest Haven Community.

Thomas Ewing and Elizabeth (Patillo) Ewing had:

He may have moved there with brother, Thomas Wesley Ewing, "I" below who died in California. Brother, Charles Dilmus Ewing also moved to Texas and Oklahoma see "J" below.
- D. **Elizabeth Ewing** b 1837. No more known
- E. **Samuel Jones Ewing** born 25 May 1839, died 11 Feb 1917 in Gwinnett Co., GA. He married, 13 Aug 1865 **Mary Frances Harris** born 17 March 1844, died 28 April 1935. Both are buried at Mt. Zion Baptist Church near Snellville, GA. He joined Company F, 35<sup>th</sup> Georgia Infantry on 23 September 1861 one month after his cousins, Miles Elmore Ewing (MY GRANDFATHER) and Joseph Ewing (son of Isaac Ewing) who ran away together to "join up." The 35<sup>th</sup> served with Gen. Robert E. Lee. He was taken prisoner before the surrender at Appomattox. He walked all the way back to Lawrenceville, Ga. in Gwinnett County just as many, including my grandfather, did. He died in the home of his son, John Tyler Ewing "2" below in 1917. Mary Frances Harris, his wife, was the daughter of Sam and Cynthia Harris and she lived to the age of 93 years. Samuel Jones Ewing and Mary Frances (Harris) Ewing had:

End of descendants of Thomas and Elizabeth P. Ewing

III. **Thompson Ewing** born 1810 in Gwinnett/Jackson County, Georgia believed Third child of William and Hannah Ewing.

Thompson Ewing, like several of his brothers and sisters was probably named for a "good neighbor" of William and Hannah Ewing. William had lived next to the Thompson family for several years. Thompson Ewing was born in 1810 according to the Census Records of 1830, 1840 and 1850. He married in Newton Co. (Marriages) **Mary Whitten** who was "born in South Carolina in 1810" according to Census. Thompson was probably born in Gwinnett Co., Ga. and was about 13 when the family moved to Newton Co., Ga. He remained there the remainder of his life. In 1832 Gold Lottery Thompson Ewing drew Lot #719, 12th District, 1<sup>st</sup> Section, now in Lumpkin Co., Ga. "40 acres of Gold." He was listed as a resident of Newton Co., Ga. in McCullers District. We could not locate what disposition was made of that 40 acres. Newton Co. Book D page 678, Thompson sold 14 Mar 1834 south half lot #305 9<sup>th</sup> District Henry Co. now Newton to Cary Wood.

Thompson Ewing and Mary Whitten Ewing had:

- A. **Nancy Malinda Ewing** born 1831 married (Newton Co. Ga. Marriages) 27 February 1851 **Miles Elmore Chapman**. Surely this is the man after whom my grandfather, Miles Elmore Ewing, was named. Miles Elmore Chapman was, according to Census, "born in S.C. 1818, 1824 or 1826." On the 1860 Census they are living in Oxford, Ga. in the section near to Elizabeth Ewing and John O. Yarborough (see below).

Miles Elmore Chapman was, in all probability, a brother to Elizabeth Chapman who married Jones Henderson Ewing my great grandparents. The estate settlement of Robert Chapman, deceased, in 1849 Newton Co. Ga. includes Miles Elmore Chapman and Jones H. Ewing who was "made guardian of his children, Miles Elmore Ewing, Elizabeth Ewing and Mary Frances Ewing. [Minutes of Court of Ordinances, Newton Co. GA. 1849 page 199]. Nancy Malinda and Miles Elmore Chapman had:

1. **Mary L. Chapman** b 1851.
2. **Emma C. Chapman** b 1854 married 4 March 1877 **J.W. Mitchell** (In Newton Co. Ga. Marriages p72).

6. **John T. Chapman** b 1866.
7. **Oliver L. Chapman** b 1868

M. E. Chapman purchased of Jones H. Ewing Lot #145, originally in 1<sup>st</sup> District of Walton Co. now Newton Co. about 1848.

- B. **William Riley Ewing** b 24 May 1834 d 16 Feb 1911 and is buried in Oakland Cemetery in Atlanta, GA. He married 1<sup>st</sup> \_\_\_? \_\_\_. They had:

William married 2<sup>nd</sup> **Margaret Hill**. No more found.
- C. **Charlotte Ewing** born 1836 married 25 Sept 1850 **John H. Mobley** (in Newton Co. Ga Marriages). The Census records of 1860, show them living near her sister, Malinda Ewing and Miles E. Chapman and sister, Elizabeth Ewing and John Yarborough. We did not find them on the later Census records. They had:
1. **Louis Mobley** b 1854
  2. **Mary Mobley** b 1855
  3. "Sis" Mobley b 1857
  4. "no Name" b 1859

  4. **Euna Ewing** b 1878.

Nancy Studdard's mother, Elizabeth Studdard, was living with Fred and Nancy Ewing in Rockdale Co. on the 1880 Census.

- E. **Elizabeth Ewing** born 1840 married 6 Sept 1857 **John O. Yarborough** (In Newton Co. Ga Marriages). On 1860 Census he was listed as a "miller". Later, a John O. Yarborough was listed as the Minister of Covington Methodist Church. We have not yet proven they were one and the same but think they are. We know of only 1 child:
1. **William Yarborough** b 1859.

Mary Whitten Ewing, widow of Thompson Ewing, was living in the home of Levi T. Ewing on the 1880 census "age 70" mother.

The Levi T. Ewing and Sarah Emma Berry Ewing family gathers for a Reunion the 2<sup>nd</sup> Sunday in each September at the Community Center in Mansfield, GA.

IV. **William Ewing** born 1811 in Gwinnett Co. GA. Believed to be the 4<sup>th</sup> child of William and Hannah Ewing.

I believe this man to be another son because of his constant nearness, in the Census Records, to Joseph Ewing. On the 1820 Census there was, in the home of William and Hannah Ewing, 4 sons under 10 years. Jones Henderson, born 1821 and Charles, born 1824 were, of course, not on that Census. As Isaac was born in 1816 he was 4 years old that year, and Thompson was born 1809/10, was 9 or 10 that year. William, (Jr.) in later Census Records was "born in 1811" so he was 9 years old in 1820, and Joseph Ewing born 1812 was 8 years old. These, then, were the 4 "under 10".

The "1 male 10-16" was Thomas Ewing born 1808 and was "12".

The "1 male 16-26" was Green Berry Ewing born 1802 and was "18".

On the 1830 Census Record in Newton Co. Ga. home of Green Berry Ewing, now just married, is only 1 male under 10. This has to Charles "6". Jones Henderson born 1821, and Isaac born 1816 are "2 males 10-15". William or Joseph could be the male age 15-20 for Census indicates William (Jr.) born 1811/12 and Joseph born about 1812/13. Possibly one was "put to trades".

On the 1840 Census, Fayette Co. Ga. there is William Ewing, with 1 male "10-15" one male "20-30" (himself?) and 1 female "20-30" who must be his wife. The male must be one of the younger brothers for William probably did not have a son that old as he was possibly only 28 or 29 that year. His brother, Charles, would have been about 15 that year.

On the 1840 Census, Fayette Co. Ga. there is next door to William Ewing "Joseph Ewing with 1 male under 5; 2 males 20-30 (himself and a younger brother) 3 females under 5; 2 females 15-20".

On the 1850 Census, DeKalb Co. Ga. we find Joseph Ewing in "Stones District" (see Joseph ahead), but we do not find William (Jr) Ewing. All of the sons of William and Hannah Ewing are now on the Census Records. The names of Joseph Ewing's children and wife are listed along with their ages. They match, with little variance, the 1860 Census.

On the 1860 Census of Fayette Co., Ga. William Ewing and Joseph Ewing are, again, shown next door to each other in the Fayetteville District. William is shown as being "age 49, born in Georgia, a farmer, worth \$2,000 to \$4,000. In household are wife, M. Ewing age 49 born in S.C., (S. or H.) Adams age 14, male, born in GA; E. Heaton age 11, female, born in GA; and A. Simpson age 23, male, born in GA. This MAY BE Alfred Simpson son of William's sister, Nancy Ewing Simpson and Elijah Simpson, see ahead.

This is all we have located, so far, on William Ewing [Jr] thought to be the 4<sup>th</sup> living child of William, died 1827 and Hannah.

V. **Joseph Ewing** born 1812 in Gwinnett Co., Ga. Believed to be the 5<sup>th</sup> child of William and Hannah Ewing.

As I stated in this chapter re William Ewing (Jr?) the above Joseph Ewing was, most probably, one of the four unnamed children of William and Hannah Ewing on the 1820 Census in Gwinnett Co., GA who was "under 10 years of age" that year. We have successfully figured out the others. The fact that these two remain near each other further confirms our belief. We must add that we located and dismissed all other possibilities having identified three early Ewing families from S.C. in that area.

On the 1840 Georgia Census we find Joseph Ewing with 1 male under 5 years; 2 males 20-30 [one is himself and the other surely one of the unmarried brothers], 3 females under 5 and 2 females age 15-20. He is in Fayette Co. Ga. As stated, William Ewing's information follows his.

On the 1850 Georgia Census we find Joseph Ewing in DeKalb Co. GA, Green Berry Ewing has moved to Paulding Co. Ga. This is the first Census telling ages, giving names of wife and children and places of birth. He is in Stone's District Division #121.

Joseph Ewing "age 38 born in GA".  
 Maria Ewing "Wife, age 28 born in S.C."  
 Nancy J. "(female) age 14 born in GA"  
 \* William Ewing male age 12 born in GA  
 Hannah Ewing female age 8 born in GA  
 \*\* Robert Ewing male age 5 born in GA

See Roster of Confederate Soldiers Volume III page 314:

\*\*R.D. Ewing Private, enlisted 9 Sept 1861  
 \*William S. Ewing, private, enlisted 9 Sept 1861 surrendered in Greensboro, N.C. 26 April, 1865. They were a part of "Muster Roll, Co. E. 27<sup>th</sup> Regiment, Army of Tennessee. Campbell and Fayette Co. Ga. 'Bethsaida Rifle Guards'."

On the 1860 Georgia Census we find Joseph Ewing in Fayette Co. GA. [again, next to William as he was on the 1840]. The Census taker gave only initials. He is in Census Div 777-Fayetteville, GA:

J. Ewing age 48 born in GA [Joseph]  
 M. M. Ewing age 40 born in S.C., wife, [Maria]

N.J. Ewing female age 22 born in GA [Nancy J.]  
 \*\*R.D. Ewing male age 16 born in GA [Robert]  
 M.M.E. Ewing female age 10 born in GA  
 M.A. Ewing female age 5 born in GA

We also find William S. Ewing age 21 in Fayette Co. GA. whose wife is L.B. age 19." He is a "track raiser" and is also in the Fayetteville Division.

On the 1880 Census of Georgia, Campbell Co. Ga

"William S. Ewing age 40 born in GA with wife,  
 L.G. (see above Lucy B.)age 36 born GA:  
 William 19; Ella 14; James E. 12; Oliver 8; Miles 6; Mary 3: sister Mary 17;"

Based on Census Records for years 1840, 1850, and 1860 - we present the following:

- V. **Joseph Ewing** b about 1812 married 1836 **Maria** \_\_\_\_\_ b about 1822 in South Carolina. She was but 14 years of age. They had:
- A. **Nancy J. Ewing** b 1838 in Fayette Co. GA "age 22 in 1860"
  - B. **William S. Ewing** b 1839 in Fayette Co. Ga. married about 1860 [Listed on Census as "newly married" in 1860]. Wife is **Lucy B.** \_\_\_\_\_ born in GA age 19 in 1860 so born 1841. They were in Campbell Co. Ga. by 1880. He was "41". They had:
    1. **William Ewing** born 1861 "age 19 in 1880"
    2. **Ella Ewing** born 1866 "age 14 in 1880"
    3. **James E. Ewing** born 1868 "age 12 in 1880"
    4. **Oliver Ewing** born 1872 "age 8 in 1880"
    5. **Miles Ewing** born 1874 "age 6 in 1880"
    6. **Mary D. Ewing** born 1877 "age 3 in 1880" [His sister Mary in household "age 17" see below.]
  - C. **Hannah Ewing** (f) born 1842 "age 8 in 1850" [named for the mother of Joseph, Hannah? I think so] Married before 1860.
  - D. **Robert Ewing** (m) born 1845 "age 5 in 1850 and 16 in 1860 listed as "R.D." We found no more on him. Did he die in Civil War?
  - E. **Martha Ewing** (f) born 1848 "age 2 in 1850" [Not on 1860]
  - F. **M.M.E. Ewing** (f) born 1850 "age 10 in 1860"
  - G. **M.A. Ewing** (f) born 1855 "age 5 in 1860"
  - H. **J.H. Ewing** (m) born 1859 "age 1 in 1860"
  - I. **Mary Ewing** (f) born 1863 "age 17 in 1880 living in home of her brother, William S. Ewing in Campbell Co. GA.

As was stated previously we cannot prove, without doubt that Joseph Ewing was a son of William and Hannah Ewing. A look at those names surely points in that direction. If Joseph is the son he named his first daughter, Nancy after his sister; he named William for his father; he named Hannah for his mother and sister; and probably "J.H." might be Jones Henderson Ewing named for his brother, my great grandfather.

It is truly sad that courthouse records were burned and land Deeds cannot be located to prove any of this.

VI. **Isaac Ewing** born 1816 in Gwinnett Co., Ga. Believed to be the 6<sup>th</sup> child of William and Hannah Ewing

On the 1820 Census Isaac Ewing was, surely, one of the 4 males listed as being "under 10 years of age". His existence is implied in the 1830 Census of Newton Co. Ga. with Green Berry Ewing his eldest brother. He would have been the "1 male under 16".

By 1840 Census, he is listed as being in Census Division 463 of McCullers District of Newton Co. Ga. There are in his household  
 1 male under 5  
 1 male 20-30 (himself; so born between 1810 and 1820)  
 1 female under 5  
 1 female age 20-30 (wife; also born between 1810 and 1820)

On the 1850 Census Isaac Ewing was in the 65<sup>th</sup> Census District of Newton Co. Ga. We were unable to find any of his land purchases in Newton Co. Ga. They may have been, at the time, in Henry Co. Ga. He was next door to Jones Henderson Ewing, my great grandfather, his brother. Jones Henderson Ewing was #53 on the 1850 Census; Isaac Ewing was #54 and Hannah Ewing was #55 (living alone!) The family of Isaac Ewing in 1850 reads:

Isaac Ewing head of household age 34 [born 1816] b. in GA  
 Lydia Ewing, wife, age 30 born in S.C. [She was Lydia Hughes and they married on 4 October 1837 in Newton Co. GA. Marriages]  
 Billy age 12 b in GA [so, born 1838]

Mary age 10 b in GA [so, born 1840]  
 Martha age 9 b in GA [so, born 1841]  
 Joseph age 8 b in GA [so, born in 1842.]  
 Jonathan age 5 b in GA [so, born in 1845]  
 Eli age 2 b in GA [so, born in 1848]

On the 1860 Census Isaac Ewing was in the Chinquapin Grove Division and 478 Division of Gwinnett Co., GA. He lived near Thomas Ewing, Jones Henderson Ewing, Charles Ewing all three his brothers we believe. The family of Isaac Ewing reads:

Isaac Ewing head of household age 44 born in GA [b 1816]  
 Lydia Ewing, wife, age 36 born S.C. [b 1824. 1850 says b1820]  
 Martha, daughter age 18 b GA [1842]  
 Joseph, son age 16 [b1843] He is the one who ran away with his first cousin, my grandfather, Miles Ewing, enlisting 24 August 1861 in the "Gwinnett Independent Blues" 24<sup>th</sup> Reg. Ga. Vol. Infantry. A.N. VA. Joseph was really 18. Roster states born 1842 ... Miles Ewing was born 16 Jan 1844. The Roster states he was born 1845.  
 John [Jonathan above] age 14 born 1844/45  
 Eli is 12 [so born 1848]  
 Elizabeth is 10 [so born 1850]  
 Betsy is 9 [so born 1851]  
 Rebecca is 8 [so born 1852]  
 Nancy is 6 [so born 1854]  
 Willa age 3 (female)[so born 1857]  
 George age 1 [so born 1859]

The son above "Billy" or William would be 22 is not on this Census. The daughter above, Mary would be 20 and is not on this Census.

On the 1870 Census Isaac Ewing continues in Gwinnett Co., Ga. He continues to be near Jones H., Charles, Joseph, Thomas and, now Eli his son born 1848 who is already married at 23. His wife is Phebra also 23. Eli and Phebra have their first child Henry Ewing listed as being 4/12 of age. His brother, Joseph, who ran away with Miles Ewing is near him on the Census and near Miles.

The 1870 Census family of Isaac Ewing reads:

Isaac Ewing age 50 (he is really 54 years old) (no wife is listed. Lydia has died)  
 Eliza, age 20 (b1850) Was Elizabeth in 1860  
 Elizabeth age 18 (born 1851 is probably the "Betsy" of 1860  
 Rebecca age 13 ( born 1857 but given as "8" on 1860 b 1852)  
 Nancy is 15 (born 1855. Age is "6" on 1860 b 1854)  
 Willa (female) is 12 so b 1858 (1860 indicates 1857)  
 "Nuley" is 10 so b 1860 is the same as George, who was 1 in 1860  
 M.E. is "8" and was in the home of Eli in 1880 age 17.

With the help of tax records, later Gwinnett and Newton Co. Ga. Marriage Records and family records we have many members of the family of Isaac Ewing and Lydia Hughes born S.C.

VI. **Isaac Ewing** born 1816 in Gwinnett Co., Ga. married 4 Oct 1837 in Newton Co. Marriages, **Lidia or Lydia Hughes** born 1824 in S.C. He is on the 1840, 1850, 1860 and 1870 Census but not 1880. They had:

- A. **William "Billy" Ewing** b 1838. He married **Mathilda** \_\_\_\_\_ b 1836 and went to Texas to live. [Named for Isaac's father?]
- B. **Mary Ewing** born 1840 married 15 Mar 1859, **John F. Knight** in Newton Co. Ga. (Marriages). We did not research this family.
- C. **Martha Ewing** born 1841, married 6 Dec 1866 **Thomas Shanks** born 1843 in Newton Co. (Marriages).
- D. **Joseph Ewing** born 1842 married **Martha** \_\_\_\_\_ born 1845 S.C. He, we believe, was named for the next eldest brother of Isaac, Joseph born 1813. We have been given these children:
  1. **Sallie "Sarah" Ewing** b 1866
  2. **John Ewing** b 1868
  3. **Charles Ewing** b 1870 (not on 1880 Census)
  4. **Noah C. Ewing** b 1873 died in 1956 and is buried at Zion Baptist, Brazelton, GA
  5. **Nancy J. Ewing** b 1876
  6. **Ida/Ina Ewing** b 1879

See "Miles Ewing" for Civil War information re their service, found under VIII. Jones Henderson Ewing; A. Miles Ewing.

- E. **Jonathan Ewing** (also shown as John and Jothn) born 1845. He went to Oklahoma in 1908 and died there 21 Oct 1921. We do not have more on his family.
- F. **Eli Ewing** born 2 August 1848 died 13 Feb 1907 married about 1869 in Gwinnett Co. **Phoebe Towler** born 23 Dec 1845. They are next to his brother, Joseph and uncle, Jones H. in Harbin's District of Gwinnett Co. Ga. in 1870. I believe Eli was named for the uncle of Isaac Ewing, Eli Whaley. On the 1880 Census Eli Ewing is back in Walton Co. Ga. His age is "33" and his wife is shown as "Frances" age 32. His children are "H.F." age 10; J.P. age 6; and W.P.L age 1; "sister" M.E. age 18.

Eli Ewing and Phoebe Towler Ewing had the following family as given us by the family of Henry Franklin Ewing, his eldest son/child. A Reunion of these descendants is held each year in or around Snellville, GA usually the 3<sup>rd</sup> Sunday in July. Eli and Phoebe had three sons:

1. **Henry Franklin Ewing** born 25 March 1870 and died 10 April 1956. He married 8 Dec 1889 **Minnie Ann Birts** b 2 Oct 1876 died 28 Nov 1968. They are buried at Bold Springs, Walton Co. GA. They had 13 children:
  - a. **Calvin Thomas Ewing** born 2 Oct 1891 died 4 Feb 1946 married **Jettie Higgins**. They had:
    - i. **Thomas Franklin Ewing** b 16 Sept 1915 married **Marian I. Lyncy** died 22 Jan 1961.
  - b. **Eli Edgar Ewing** born 6 July 1894 died 10 Dec 1895

- G. **Elizabeth Ewing** was born in 1850 the 6<sup>th</sup> child of Isaac. She is shown as "Eliza" on the 1870 Census of Gwinnett Co., p204
- H. **Betsy Ewing** b 1851 "9" shown as Elizabeth Ewing on the 1870 Census of Gwinnett Co. p204, age 18.
- I. **Rebecca Ewing** b 1852 or 1857 (shown as age 13 on 1870 Census but as "8 years" on the 1860 Census of Gwinnett Co. GA.)
- J. **Nancy Ewing** was "6" on 1860 Census and "15" on 1870 Census.
- K. **Willa Ewing** (female) was "3" in 1860 and "12" in 1870 Census.
- L. **George Ewing** b 1860 was "1" on that Census but was "Nuley" on the 1870 Census age "10".
- M. **Martha Ewing** was "8" on the 1870 Census. Was living in the home of her brother Eli Ewing on the 1880 Census "age 18". She is listed as M.E. Ewing (female) also.
- VII. **Nancy Ewing** born 1817. Believed to be the 7<sup>th</sup> child of William and Hannah Ewing.

On the 1820 Census of William Ewing in Gwinnett Co. Ga. there was a female under 10 years in the household. She could, possibly, be the female age 10-16 in the household for we have never found who that might have been. However, searching all counties in the area where William and Hannah Ewing lived we found only one, Nancy Ewing who might belong.

In Newton Co. Ga. where seven by the last name EWING were married within an eighteen year period one of them was Nancy Ewing who married on 10<sup>th</sup> of November 1833 one Elijah Simpson. Surely this is the daughter of William.

In the 1850 Census of DeKalb Co. Atlanta, Ga. they are living near Joseph Ewing, possibly her brother. She is shown as being age 33 so born 1817. She, then, would have been the female under 10 years in 1820. If so, she was 15 when she married Elijah Simpson who was only 17 when they married. In 1850, he was "34" and was called a "waggoner". Perhaps they traveled around a lot, or maybe his business made them move.

The 1860 and 1870 Census records of this part of Atlanta, GA, DeKalb County, were not microfilmed. I was most frustrated. There is no record of them on the 1880 Soundex film. I did not search for them on the 1832 Cherokee Gold Lottery nor in Land Deeds in every County. I found none in Newton Co. Ga where they were married. I do wish we knew more of Nancy Ewing and Elijah Simpson.

- VII. **Nancy Ewing** born 1817 in GA. married 10 November 1833 **Elijah Simpson** born 1815 "in South Carolina" according to the 1850 DeKalb Co. Ga. Census. They may have moved to Paulding Co. where Green Berry Ewing, her brother, lived and where her younger sister, Hannah Ewing and husband John Moore, had moved to by 1860. According to the 1850 Census they had:
- A. **William Simpson** "age 17" born 1833
  - B. **Allen J. Simpson** "age 16" born 1834
  - C. **Elijah F. Simpson** "age 8" born 1842
  - D. **Frances M. Simpson** "age 3" born 1847
  - E. **Sarah A. Simpson** was "6 mos" born 1850

We hope, someday, to find more of this family.

- VIII. **Jones Henderson Ewing** born 14 Jan 1821 in Walton Co. GA is the 8<sup>th</sup> child of William and Hannah Ewing.

What we have learned about this man, my great-grandfather, would fill another book. He was, I believe, a most outstanding man as were his brothers and sisters. He was born as stated above (in the Ewing Family Bible) on 14 Jan 1821, Jackson Co. Ga had part cut to become Walton Co., GA by Dec 1818. At the same time Gwinnett Co., Ga was created, on Dec 15, 1818. Newton Co., Ga. was not created until 24 Dec 1821, the end of the year in which Jones Henderson Ewing was born. His father did not buy the Newton Co., Ga. land until 1823.

Jones Henderson Ewing is shown in "Newton Co. Ga. Marriages" as having married **Eliza (Elizabeth) Chapman**, daughter of Robert C. Chapman of Newton Co. Ga. on 29 January 1841.

On the 1850 Census, we find him in the 65<sup>th</sup> Census Division of Newton Co. Ga. #53 next to Isaac Ewing, #54 surely his brother, who is next door to Hannah Ewing (alone) #55. Jones Henderson Ewing is 29 years old with "Miles E. age 6" (my grandfather); "Elizabeth age 5" and "Mary F. age 3". A Charles Harris age 13 is living in the home. Eliza. Chapman Ewing had died prior to the 1850 Census. We found that in 1849 Jones Henderson Ewing was made "guardian of Miles, Elizabeth and Mary Frances Ewing. That is the year that Robert C. Chapman, father of Elizabeth Chapman Ewing, died in Newton Co., GA. Robert C. Chapman was a son, we believe, of Dewberry and Jane Wilkinson (of S.C.) Chapman who lived in Wilkes Co., GA. There was one Miles Elmore Chapman who married a daughter of Thompson Ewing, Malinda Ewing, on 27 Feb 1851. Surely Miles Elmore Ewing was named for this man. We believe he may have been a brother to Elizabeth Chapman. He was at the Administration of the estate of Dewberry Chapman prior to 1818 as was Robert C. Chapman. We have not "put together, satisfactorily" the Chapman family. But names played an important part in those early days.

Deeds in Newton Co., Ga. are, sometimes, rather sketchy and not all dates are clearly recorded but we found with help from Thomas Harvis Ewing some of those Deeds of Jones Henderson Ewing. There are others by Thomas Ewing, Thompson Ewing, Green Berry Ewing and Isaac Ewing. They were really land-hungry men.

- 1846, Newton Co. Deed Book I page 16:  
"Jones Ewing bought from James M. Smith, Ferdinand Beaver and Robert Chapman, 100 ¼ acres, South half of Lot 302 in 9<sup>th</sup> District, formerly Henry Co., Ga. now Newton.
- 1849, Newton Co. Deed Book I page 503:  
"Jones Ewing sold land to Elmore Chapman described as south half of lot #302 9<sup>th</sup> District formerly Henry Co., Ga. now Newton Co. Ga."
- 1850, Newton Co. Deed Book I page 514:  
"Jones Ewing purchased from the estate of Robert Chapman, Charles S. Dorsett, Administrator, Lot 303, 9<sup>th</sup> District formerly Henry now Newton Co. Ga Except, Georgia Railroad 18 acres 4 acres graveyard, 5 acres house of John D. Williams and 125 ½ acres excluding above."

- Date unsure but +1850 Newton Co. Deed Book L page 306:  
"Jones Ewing sold to James A. Armistead, land south of Georgia Railroad, Lot 303, 9<sup>th</sup> District, except 1 acre around a Graveyard and except the Railroad Tract and house."

Jones Henderson Ewing was involved with Newton Co., Ga. Deeds in 1845, 1846, 1849, 1850 and 1856. The film was so dim it was hard to verify a specific date to each one of the Deeds.

- Date unsure but perhaps about 1845. Newton Co. Deed Book L page 261  
"Jones H. Ewing bought land from Isaac St. John" [He became the father-in-law of Charles Ewing who married Julia St. John 20 Sept 1848.] It was described as: "part of Lot #145 formerly 1<sup>st</sup> District Walton Co., Ga. Now Newton Co." [Charles was the youngest of the brothers.]
- Date unsure but perhaps about 1856.  
"Jones H. Ewing sold land to M.E. Chapman lot #145 originally 1<sup>st</sup> District Walton Co., now Newton Co., Ga.

As mentioned numerous times these men were closely knit and bought lands near each other. Thomas Ewing bought/sold part Lot #306; Thompson Ewing bought and sold south half of Lot #305. Green Berry Ewing bought land as early as 1828, ¼ of Lot 306.

- 1852 Newton Co. Deed Book K page 415 but dated 1852?  
"Jones H. Ewing sold land to Charles S. Dorsett and to Leonard Fretwell in 1853. Book K page 445, 1853 is recording date.

Isaac Ewing bought land from John Harris as late as 1850 as Recorded in Deed Book M. p 278 the "East Quarter of Lot 305 in 9th District." THERE ARE OTHERS!

In Roster of Confederate Soldiers we found:

"Jones H. Ewing, Private, enlisted Feb 10, 1864 at Bethany, GA Listed as 'Regimental Return'. A.W.O.L since Feb 10, 1864. Never called." [May 5, 1864 SHERMAN LEFT CHATTANOOGA! and on 3 September 1864 he took possession of Atlanta, Georgia.]  
"Jones H. Ewing, enlisted May 15, 1864 in Gwinnett Co. GA. Discharged Oct 1864. age 43."

So he was not truly A.W.O.L. He had moved to Gwinnett Co. by 1860 Census-taking time. He had married again and had three additional children the eldest being eight years younger than the youngest by Elizabeth Chapman. She was Mary (Feaster) Smith, a widow. I have never verified whether or not those children were hers as Mrs. Smith but they carried the Ewing name. So we, all, have assumed they were children of Jones H. Ewing.

There are so very many stories that could be told but this BOOK is much too long, already. All these men were patriotic, family-loving gentlemen. Their wives were ladies of intelligence and good breeding. Hannah Ewing must have been a wonderful woman for she made sure that William's land, after he died in 1827, was evenly divided among the sons who remained in Newton Co., Ga. They, all, were worth considerable sums during their prime. They all stayed near her and she died in the home of Jones Henderson Ewing after 1860. We believe she is buried at Ewing's Chapel, near Auburn, Georgia.

- VIII. **Jones Henderson Ewing** born 14 January 1821 Gwinnett Co. died 14 Nov 1786, buried at Ewing's Chapel Cemetery, Harbln' s District, Gwinnett Co., Ga. near Auburn, GA. He married 1<sup>st</sup>) 29 Jan 1841 in Newton Co. Ga **Elizabeth Chapman** (we have no birth/death dates). She was the daughter of Robert Chapman and granddaughter of Green Berry Chapman and Jane (Wilkinson) Chapman of Wilkes Co., GA. She died prior to 1850 for she is not on that Census with Jones Henderson. Jones Henderson married 2<sup>nd</sup> **Mary (Feaster) Smith** about 1854 for there was a daughter "5" in the 1860 Census after he had moved to Gwinnett Co. GA. Mary Feaster Smith Ewing is also buried at Ewing's Chapel. Jones and Eliza Chapman Ewing had:
- A. **Miles Elmore Ewing** born 16 Jan 1844 in Newton Co., GA died in Atlanta, Ga. 12 Dec 1921. He married **Antoinette Virginia Whitworth** on 21 Dec 1865. She was called "Nettie" born 29 Jan 1850 and died 16 Dec 1901. She was the daughter of Richard Asbury Whitworth born 14 Feb 1825 and Sarah Evaline Moore born 1825 d 19 July 1868. Thomas Ewing and Elizabeth Patillo moved next door to Richard Asbury and Sarah (Moore) Whitworth.

Richard Whitworth is in the *Roster of Confederate Soldiers of Georgia 1861-1865 Volume VI* page 530.

"Muster Roll Co. E, 64 Regiment Georgia Volunteer Infantry Army of Northern Virginia C.S.A. Fulton and Merlwether Co. Ga. Warren Akin Guards: Richard A. Whitworth, Private Mar 1, 1863. Appointed Corporal. Wounded and captured at Deep Bottom, Va., Aug 16, 1864. Died at Fortress Monroe, VA., hospital, from exhaustion following amputation of right hip, 7 Sept 1864."

Richard and Sarah lived on the land his father, Richard A. Whitworth, of Morgan Co., Ga. drew in the 1820 Georgia Lottery, Lot 253, District 5, Gwinnett Co. GA. Miles E. Ewing enlisted in Co. G, 24<sup>th</sup> Regiment, C.S.A. Gwinnett Independent Blues on 24 August 1861 the same day his cousin Joseph, son of Isaac Ewing, enlisted. (See IV-D)

Miles E. Ewing and Antoinette V. (Whitworth) Ewing had 17 children. All of them lived to be adults. They were:

1. **Laura Minnis Ewing** born 27 Oct 1866 d 16 Jan 1923 married 19 Nov 1882 in Gwinnett Co., Ga. **Newton Goodbryant Robinson, Jr.** born 12 Nov 1863 d 9 Dec 1939. Buried Glendale Cemetery Goliad, TX. They had 18 children according to the 1910 Census of Clay Co. Texas. and only 8 were still living.

The 1900 Census of Gwinnett Co., Ga. "Goodwin's District" states she had 10 children and 7 were living. They were enumerated with Newton and Laura. So, they lost 10 children between July 1900 and April 1910! She may have had 3 sets of twins. There was not enough time for her to have had that many single births. Her grandfather Whitworth was one of three sets of Whitworth twins. In 1981, I had only nine names of children. Francis Grady Lewis of Ponca City, OK, a grandson of Laura and Newton has been extremely helpful with this family. They had:

Charles Ewing was born in Newton Co. GA on his father's new farm in McCuller's District on the 12th of August 1824. Charles married **Julia L. St. John** on 20 of September 1848 according to "Newton County Ga. Marriages". He died on 13 March 1887 and is buried in the Ebenezer Churchyard in Gwinnett Co. GA. Julia St. John was born in Nov 1827 and died 12 March 1868. She is buried beside Charles.

On the 1850 Census Charles and Julia St. John Ewing are living in Newton Co. Ga in the "65<sup>th</sup> Census District". They had no children at that time. He lived next to "Hannah Ewing head of household" who lived next to Isaac Ewing who is next to Jones Henderson Ewing.

On the 1860 Census Charles Ewing and wife Julia are living in Gwinnett Co. GA in the Chinquapin Grove Census District. He is near Jones Henderson Ewing and Isaac Ewing as well as Thomas Ewing. He now has three daughters. They are named for the sisters of Jill St. John Ewing. Nancy is "7"; Melia (Permelia) is "4"; and Celia is "11/12" not quite a year old.

On the 1880 Census Charles Ewing and Julia Ewing are living next door to Mary F. Ewing, widow of Jones Henderson Ewing. An aunt of Jill St. John was living with them. Jill St. John Ewing had died in March of 1868 and Charles had remarried. He married 2<sup>nd</sup> **Nancy W. Pierce** who was born 22 Oct 1824 and died 1 Feb 1910. Charles did not have any children by Nancy W. Pierce Ewing.

Charles Ewing and Jill St. John Ewing had :

- A. **Nancy Ewing** b 1853 unmarried, buried Ebenezer Churchyard, Lawrenceville, GA.
- B. **Permelia Ewing** b 1856. We could not find who she married nor when and where she died
- C. **Celia Ewing** b1859. It is believed she married **W.T. Wood** but this is unproven.

We regret we have been unable to find more on this family.

X. **Hannah Ewing** born about 1826 in Newton Co. Georgia. The Tenth and last child who lived to adulthood of William & Hannah.

Hannah Ewing was born, probably, in late 1825 about 1 ½ years before her father died. Information on her is quite sketchy. She lived in the same area as the others but, of course, women are harder to trace than men.

We had mentioned earlier that she was, probably, taken care of by brother, Thomas and his wife Elizabeth Patillo Ewing, just after William Ewing died and left Hannah, Sr. with all those small children.

She, like some of the others of that day, married early for we find in Newton Co. Marriages "Miss Hannah Ewing married on 17 Nov 1839 **John Moore**." She would have been only 14 years old. The Census Records do not prove this but give us a "hint" as to the ages of Hannah and John Moore.

- On the 1840 Census of Newton Co. Ga. we found John Moore in the 464 District with 1 male 20-30; 1 female under 5; 1 female 10-15: (This has to be Hannah, Jr. as the 464 District is next to that of McCullers 463).
- On the 1850 Census of Georgia we found no John Moore that had a wife, Hannah.
- On the 1860 Census we found J. Moore age 36 (so born 1824); Hannah age 32 (this means she was born 1828. Did she remember when she was born?) They are living in Paulding Co., Ga. near Green Berry Ewing. Their children were given as: Robert "17" so born 1843; Jane "16" so born 1844; Frances "12" so born 1848; Jackson "11" so born 1849; Sarah "9" so born 1951; John, Jr. "8" so born 1852; Owin or Ewin(g) "5"; so born 1855. She had 7 children in 12 years!
- We found an 1880 Census in Paulding Co. Ga. (but no 1870) J.D. Moore was age 52 (if so born 1828. Were they sure of ages?) S.H. Moore female was 51 (if so born 1829). Sarah Hannah would have been a possible name for her. William's mother was Sarah in Cumberland Co., PA.

Children were:

**M.E. Moore**, a Daughter age 25, if so born 1855 (Is she the Ewin?)

**W.S. Moore**, a son age 21, if so born 1859

**E.C. Moore**, a daughter age 17, if so born 1863

**M.A. Moore**, a daughter age 15, if so born 1865

**J.Z. Moore**, a son age 13, if so born 1867

**O.C. Moore**, a son age 11, if so born 1869

**P.G. Moore**, a son age 9, if so born 1871

If these are the children of Hannah Ewing and John Moore they were all born before Hannah reached 41-43 years of age. This is a logical assumption and that she had 13 or 14 children is also logical.

Though we spent many hours searching for this couple and their children in all the counties of Georgia we were not satisfied with what we were able to determine. We hope someone knows who they are/were. It has been said they were grandparents of Grace Moore the very popular singer of the '30's in America. We have no proof. Nor can we trace John Moore to Sara Evelyn Moore Whitworth my great grandmother.
