

**Note**

William b1762 is the subject of Fife Ch 21. Henry b1740 and the line to **WE** through James b1771 do not appear there, but Karen Avery believes William b1762 and James b1771 to be brothers. She would be happy to discuss her logic with interested persons, and would be very happy to learn of new evidence, pro or con.

**Differences from Ewing Modal**

DYS 391 = 10	<b>everyone</b>
DYS 449 = 33	<b>WE</b>
CDYa = 36	<b>WE, DB, JC2</b>
DYS 448 = 19	<b>AL</b>
DYS 576 = 19	<b>AL, DB</b>
